
Friends of the Martyred Church

Want to see blind eyes open?

Why not partner this year with Friends of the Martyred Church?

With your help, we fly a doctor specializing in eye surgery into Southern Sudan from Kenya together with his assistant. They build a small field hospital and over a period of seven to ten days they operate on more than 200 people. After the operations 80% can see again!

THAT IS THE MIRACLE YOU CAN DO!

An operation trip like this costs about \$7,000 (USD) but we can share the costs.

Interested?

Please contact FMC for more information.

God bless You,
Johan Candelin, Chairman
